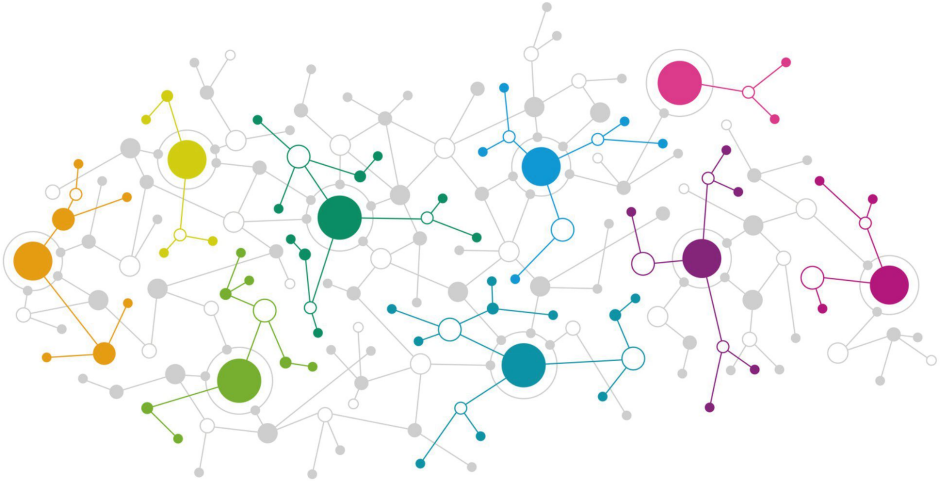
iCapisce

Where Learning Starts



Premise

proven cognitive architecture

Every subject has a **set of terms** that students need to **learn** before they can move into higher order learning.

*i*Capisce facilitates the **movement** of essential terms from sensory memory through short term memory and into long term memory.

*i*Capisce teaches through a series of graded, multi-modal modules using a **"Learn-Practice-Play-Test"** pedagogy.

*i*Capisce is a platform for you to **create, share and teach** your content reliably, securely and cost effectively.

*i*Capisce v3.4

a universal learning platform

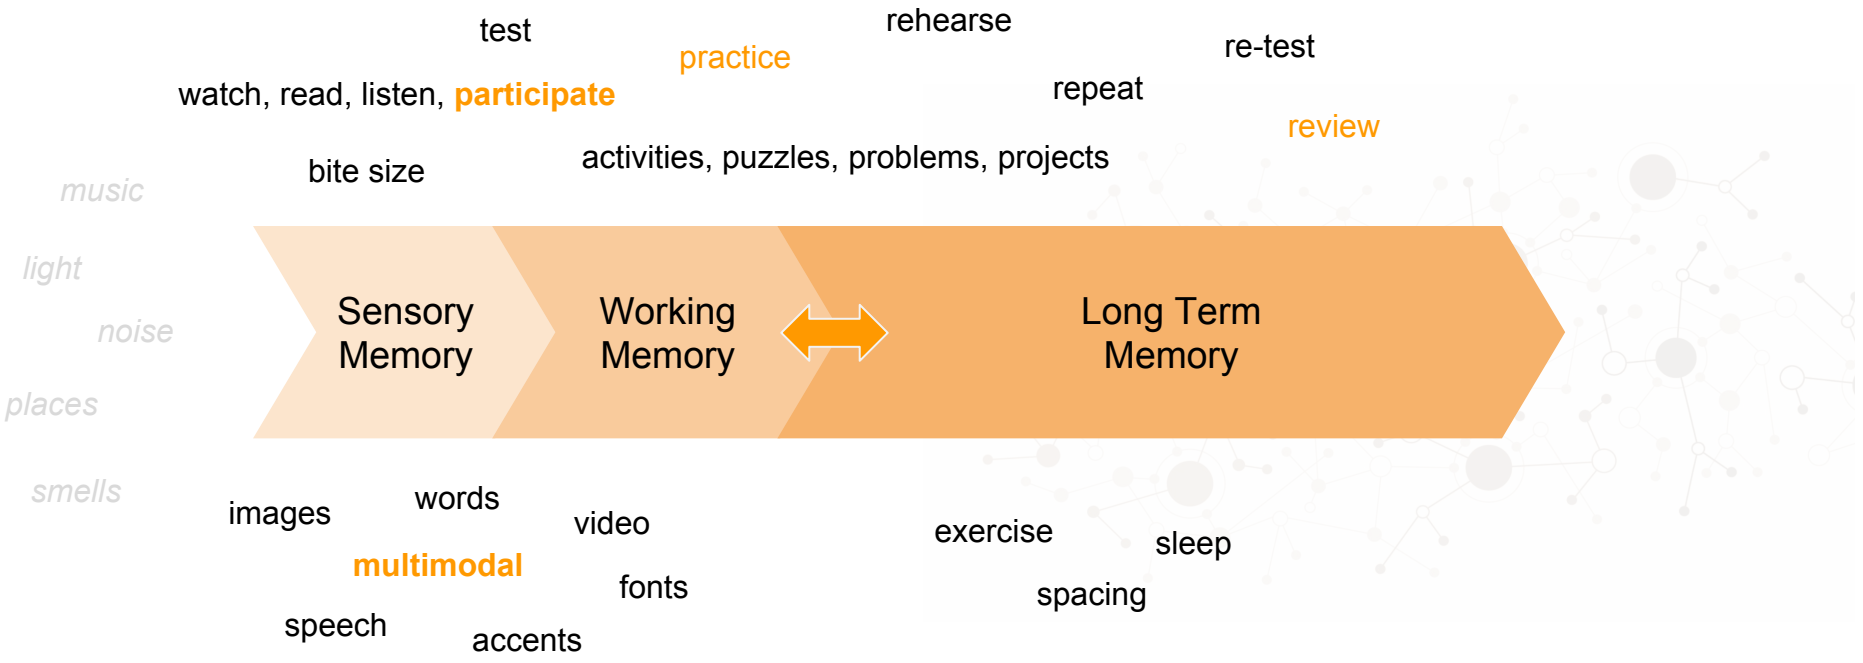
"Cognitive Architecture" Building Blocks



Outcomes

knowledge, comprehension, confidence

Strong Storage Memory

- sight, sound, touch
- multiple neural indexes
- bite size essential elements
- personal views, voices, fonts

Fast Retrieval Memory

- learn, practice, play, test,
- graded challenges
- regular testing
- repetition

Reliable, Long Term Memory

*i*Capisce v3.4
